

Audrey stated she hopes the weather is good for Saturday's Farm Market as last week there were only three vendors due to the rain. A flyer advertising the Farm Market was sent out the previous week, accounting for many new faces coming to the market last week.

Donna Lizanich made a motion to adjourn the meeting, seconded by Audrey Balogh. The meeting adjourned at 7:55 P.M.

Respectfully submitted,

The above correspondence was discussed and action taken as necessary.

A concerned future Township resident attended the meeting. He is buying a home on Spring Garden Road and was looking for records for the original septic system. The home is on the sewer system now, but he wants to find the septic tank from when the home was built. He stated he checked with the Hunterdon County Board of Health but they don't have any records prior to the 1970s. Audrey Balogh suggested he check with the Township Zoning Officer and the Planning Board secretary, as they may have plans that could help him.

Audrey Balogh reported that Saturday, September 8 was the last Farmers Market for this year. She said it was a good year, even though there were many rainy days. She is looking for someone to be the Manager of the Farm Market next year.

Donna Lizanich will be attending an eight hour course on October 1, sponsored by FEMA, "Awareness and Response for Biological Incidents."

Christopher Balogh made a motion to adjourn the meeting, seconded by Donna Lizanich. The meeting adjourned at 8:15 P.M.
