Re: 2020 Budget Requests  
After reviewing and discussing last year's Board of Health budget , Christopher Balogh made a motion to keep the 2020 Budget the same as last year. The motion carried by a unanimous "yes" in favor of the motion.  
(There was a question as to where the secretary's salary comes from, as it was not shown on the budget. Pearl will find out for our next meeting.)

The above correspondence was discussed and action taken as necessary.

There was an article in the newspaper regarding a deadly drug resistant fungus spreading in New Jersey. We have not gotten any information on this issue from the County Board of Health.

Christopher Balogh made a motion to adjourn the meeting, seconded Donna Lizanich. The meeting adjourned at 7:55 P.M.

Respectfully submitted,

Pearl M. Hammerstone, Secretary
