An e-mail from Cathy Miller regarding a fall publication of Holland Happenings newsletter. Audrey stated she and Donna wrote the article for the spring newsletter and would probably do it for this publication. Information to be included may be on the flu shots and if a vaccine becomes available for the Covid-19 virus. Pearl suggested something on the Lantern Fly. Any suggestions for the newsletter will be accepted at the September meeting.

The above correspondence was discussed and action taken as necessary.

Vann volunteered to contact St. Hubert's last month to get information on their reporting as our Animal Control Officer. He had some difficulty getting in touch with them but finally spoke to a Patricia, who will give us a regular report on stray animals, etc. He will keep us informed on the information they will provide, once she calls back. Audrey thanked Vann for getting in touch with St. Hubert's.

Lisa Mickey questioned, as we get the Animal Bite reports, how would we know if the dog has bitten someone before. How many times must the same dog bite someone to be considered vicious? (Pearl will contact the dog licensing official to see what type of information is in the file.)

Audrey asked Lisa when we would be able to be back in the Municipal Building for our meeting. Lisa stated the Township building is slowly opening up to the public in the next two weeks.

Christopher Balogh made a motion to adjourn the meeting, seconded by Vann Smith. The meeting adjourned at 7:48 P.M.

Respectfully submitted,

Pearl M. Hammerstone
