

You will find more than a dozen trees on the Riegel Ridge property and Holland Park labeled with its name and a QR code. By scanning the code with a smartphone you will get more information from our website.

For the complete list of trees and a map scan the code or go to www.hollandtownshipnj.gov/trees-of-holland-twp

Trees with an asterisk * are labeled on Riegel Ridge Property, but are not common to Holland Township.

Callery (Bradford) Pear, although Common, is not on this list. It is considered an invasive pest tree, and it is being banned in some states.

The tree on the front is a Northern Red Oak in Holland Park.
