ORDINANCE ADDING A CHAPTER ENTITLED “ABANDONED / VACANT PROPERTIES” AND AMENDING AND SUPPLEMENTING CHAPTER 195 ENTITLED “NUISANCES” OF THE GENERAL ORDINANCES OF THE TOWNSHIP OF HOLLAND, COUNTY OF HUNTERDON, AND THE STATE OF NEW JERSEY

WHEREAS, periodically property owners have abandoned their property and have failed to maintain or secure them to an adequate standard; which affects the health, safety, and welfare of residents and visitors of the Township, including diminution of neighboring property values, increased risk of fire, potential increases in criminal activity, and potential increases in health risks; and

WHEREAS, the Township incurs disproportionate costs in order to deal with the problems of vacant and abandoned structures, including but not limited to, excessive police calls, fire calls, and property inspections; and

WHEREAS, it is in the public interest for the Township to establish minimum standards of accountability on the owners or other responsible parties of vacant and abandoned structures in order to protect the health, safety and general welfare of the residents of and visitors to the Township; and

WHEREAS, it is in the public interest for the Township to impose a fee in conjunction with registration of vacant and abandoned structures in light of the disproportionate costs imposed of the Township by the presence of these structures; and

WHEREAS, the Township of Holland (“Township”) has reviewed recent amendments to Titles 2A, 40 and 46 of the New Jersey Statutes regarding vacant and abandoned property and the responsibilities of foreclosing creditors; and

WHEREAS, as a result of such legislation, certain amendments to the Code of the Township of Holland are required.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Committee of the Township of Holland, the County of Hunterdon, that Chapter 40 entitled “Abandoned / Vacant Properties” of the Code of the Township of Holland (“Code”) is hereby added as follows:

SECTION 1. A Chapter of the Code of the Township of Holland entitled “Abandoned / Vacant Properties” is hereby added as follows:

§ ___-1. Purpose

This Ordinance authorizes the Township of Holland to govern the maintenance of vacant or abandoned property in the Township of Holland, establishing registration requirements and levying a registration fee on owners of vacant properties.

§ ___-2. Definitions

As used in this chapter, the following terms shall have the meanings indicated:

OWNER

Includes the title holder, any agent of the title holder having authority to act with respect to a vacant property, any foreclosing entity subject to the provision of N.J.A.C. 46:10B-51 (P.L.2008, c. 127, sect. 17) or any other entity determined by the Township of Holland.

VACANT PROPERTY

Any building used or to be used for residential or commercial purposes which is not legally occupied or at which substantially all lawful construction operations or occupancy has ceased, provided, however, that any property that contains all building systems in working order, is fully compliant with our property maintenance codes, and is being actively marketed by its owner for sale or rental, shall not be deemed vacant. Property determined to be 'abandoned property' in accordance with the meaning of such term in the Abandoned Properties Rehabilitation Act, N.J.S.A. 55:19-78, *et seq.* shall also be deemed to be vacant property for the purposes of this ordinance.

§ ___-3. Requirements for Owners of Vacant Property

The owner of any building that has become vacant property, and any person maintaining, operating or collecting rent for any such building that has become vacant shall, within 30 days:

- A. Enclose and secure the building against unauthorized entry as provided in the applicable provisions of the code of the Township of Holland.
- B. Post a sign affixed to the building indicating the name, address, and telephone number of the owner, the owner's authorized agent for the purpose of service of process, and the person responsible for day-to-day supervision and management of the building, if such person is different from the owner holding title or authorized agent. The sign shall be of a size and place in such a location so as to be legible from the nearest public street or sidewalk, whichever is nearer, but shall be no smaller than 18” X 24”.
- C. Secure the building from unauthorized entry and maintain the sign until the building is again legally occupied or demolished or until repair or rehabilitation of the building is complete.
- D. Post the property with “No Trespassing” signs or a nature sufficient to give notice to any person entering upon the property that is against the law to enter the property without permission of the owner.
- E. Ensure that the vacant property is inspected on a monthly basis by the owner’s authorized agent and prepare inspection reports, which shall be forwarded to the Zoning Officer no later than the end of each month.
- F. Ensure that the vacant property is maintained in accordance with all property maintenance ordinances of the Township.
- G. The owner of any vacant building shall acquire and otherwise maintain liability insurance by procuring a vacancy policy in an amount of not less than three hundred thousand (\$300,000.00) dollars for buildings designed primarily for use as residential units and not less than one million (\$1,000,000.00) dollars for any other building including, but not limited to buildings designed for manufacturing, industrial, storage or commercial uses, covering any damage to any person or any property caused by any physical condition of or in the building. The owner shall attach evidence of the insurance to the owner’s registration statement. Any registration statement submitted that does not include such evidence shall not be deemed to be a valid registration, which shall subject the owner to penalties under this ordinance.

§___-4. Administration

The Mayor and Township Committee may issue rules and regulations for the administration of the provision of this ordinance.

§___-5. Violations and Penalties

A. Any owner who is not in full compliance with this ordinance or who otherwise violates any provision of this ordinance or of the rules and regulations issued hereunder shall be subject to a fine of not less than \$500.00 and not more than \$1,000.00 for each offense. Each day during which any violation of this chapter continues shall constitute a separate and distinct offense. Fines assessed under this chapter shall be recoverable from the owner and shall be a lien on the property.

B. For purpose of this chapter, failure to file a registration statement in time, failure to provide correct information on the registration statement, failure to submit inspection reports, failure to comply with the provisions of this Chapter, or such other matters as may be established by the rules and regulations of the Zoning Officer or his designee, shall be deemed to be violations of this ordinance.

§___-6. Effect on other laws; interpretation of provisions

Nothing in this chapter is intended nor shall be read to conflict or prevent the Township from taking action against buildings found to be unfit for human habitation or unsafe structures as provided in applicable provisions of the Code of the Township of Holland. Further, any action taken under any such code provision other than the demolition of a structure shall relieve an owner from its obligations under this ordinance.

§___-7. Effective Date

This Ordinance shall take effect upon publication.

§___-8. Severability

The provisions of this Ordinance are severable. To the extent any clause, phrase, sentence, paragraph, or provision of this Ordinance shall continue in full force and effect.

The notice shall require the person or entity to correct the violation within thirty (30) days of receipt of the notice, or within ten (10) days of receipt of the notice if the violation presents an imminent threat to public health and safety. The governing body may prescribe penalties for the violation of ordinances it may have authority to pass, either by imprisonment in the county jail or in any place provided by the municipality for the detention of prisoners, for any term not exceeding 90 days or by a fine not exceeding \$1,000, or both. The court before which any person is convicted of violating this Chapter 195 shall have the power to impose a penalty, pursuant to N.J.S.A. 26:3-70 et seq. and the Penalty Enforcement Law (N.J.S.A. 2A:58-1 et seq.[1]), of not more than \$500 nor less than \$5. A creditor required to care for, maintain, secure, and keep up a property under this Chapter cited in notices issued pursuant to this Chapter shall be subject to a fine of \$2,000.00 for each day of the violation. The remedy in this section shall be in addition to all remedies available to the Township in law or in equity.

SECTION 4. All Ordinances or parts of Ordinances inconsistent herewith are repealed as to such inconsistencies.

SECTION 5. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

ORDINANCE 2015-9
CREATING THE POLICE DEPARTMENT POSITION OF SERGEANT

WHEREAS, it is the desire of the Township Committee of the Township of Holland, County of Hunterdon, State of New Jersey (hereinafter referred to as the “Township Committee”), to create and establish the position of Sergeant within the Department of Police and Public safety of the Township of Holland (“Police Department”); and

WHEREAS, pursuant to N.J.S.A. 40A:14-118, the governing body of any municipality, by Ordinance, may provide for the appointment of such members of the police department, including the prescription of their powers, functions and duties, as shall be deemed necessary for the effective government of such police force; and

WHEREAS, pursuant to Chapter 32 of the Holland Township Code, the Township Committee created a Police Department and lawfully reserved unto itself the power to create other such members and officers of the Police Department as it shall deem necessary; and

WHEREAS, the Township Committee deems it necessary to create and establish the position of Sergeant of the Police Department.

NOW, THEREFORE, BE IT ORDAINED AND ENACTED by the Township Committee of the Township of Holland, in the County of Hunterdon and State of New Jersey, that the following provisions of the Code of the Township of Holland are amended as follows:

SECTION 1. Section 32-2 of the Code of the Township of Holland entitled “Composition” is hereby amended and supplemented as follows (Additions indicated in boldface and italics *thus*; deletions indicated with strike-through ~~thus~~):

Said Department shall consist of a Chief of Police and *may consist of* such number of *Sergeants and* policemen as may be determined, from time to time, by the Township Committee.

SECTION 2. Section 32-3 of the Code of the Township of Holland entitled “Designation of Township Committee as Appropriate Authority” is hereby amended and supplemented as follows (Additions indicated in boldface and italics *thus*; deletions indicated with strike-through ~~thus~~):

The governing body of the Department, which is also the appropriate authority as referred to in N.J.S.A. 40A:14-118, is the Township Committee. The Township Committee shall exercise the responsibilities of an appropriate authority under New Jersey Statutes, and in particular shall be responsible for the promulgation of rules and regulations for the government of the Department and for the discipline of its members. The Mayor of the Township shall be in general charge of the Department, and, in his absence, the Deputy Mayor shall assume this responsibility. The line of authority relating to the police function of this Township shall be from *the Sergeant (if any) to* the Chief of Police, *as the head of the Police Department*, to the Mayor (or Deputy Mayor, in the Mayor's absence) to the Township Committee.

If the office of Sergeant is intentionally left vacant, it will be deemed not to exist and will be bypassed in the chain of command (e.g., if the governing body chose not to appoint a Sergeant, then all civilian employees and policemen would answer directly to the Chief of Police).

SECTION 3. Section 32-14 of the Code of the Township of Holland entitled “Duties and Responsibilities of Sergeant” is hereby added as follows:

The position of Sergeant shall be second in command to the Chief of Police. The Sergeants’ powers, functions and duties shall be as follows:

A. He or she shall, during his or her regular tour of duty, be superior in rank to and have charge of all policemen and special police officers who shall be serving on the same shift and shall, generally, supervise the work of all said members and shall give such instructions and directions as he or she shall deem necessary for the proper and efficient operation of the Department in accordance with the provisions and regulations of this chapter.

B. He or she shall designate the streets, avenues and areas of the Township to be patrolled by such members of the Department as shall have been assigned to patrol duty on his or her shift.

C. He or she shall see that officers reporting to him or her properly relieve the officers going off duty and that the officers are in proper uniform, with the necessary equipment to perform their duties properly.

D. He or she shall assign all policemen to their respective duties and shall note whether or not the officers to be relieved are at their given relieving point and in proper condition.

E. He or she shall constantly patrol his or her assigned area and shall supervise the work of the officers in patrol cars and performing any other type of duty.

F. He or she shall review for approval all written reports made by the officers under his or her supervision during a tour of duty. If reports fail to meet with his or her approval, he or she shall instruct the officers under his or her supervision as to the proper form and information to be supplied.

G. He or she shall perform his or her duties under the supervision and direction of the Chief of Police and shall be responsible for seeing that all laws of the State of New Jersey and ordinances of the Township of Holland are duly observed and enforced and that the public peace is maintained. The Sergeant shall perform such duties as may be assigned to them, from time to time, by the Chief of Police.

H. He or she shall, during his or her regular tour of duty, in addition to the performance of the duties of Sergeant specified herein, exercise the authority and perform the duties of a **policement as far as practicable.**

SECTION 4. All Ordinances or parts of Ordinances inconsistent herewith are repealed as to such inconsistencies.

SECTION 5. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

SECTION 6. This Ordinance shall take effect upon final passage and publication according to law.
