REMINDER/ANNOUNCEMENT

-The Township Committee has canceled their first meeting August. They will hold their August 21, 2018 meetings as scheduled.

BID AWARD-this issue was on the June 19, 2018 agenda and was tabled until this meeting -Riegel Ridge Pavilion Project-bids were opened at 10:00 am on June 7, 2018 with the following results:

Bid packet requested by:	Address	Amount bid
Empire Construction & Property Management Group	Middletown, NJ	182,974.80
Tricon Enterprises	Keyport, NJ	189,000.00

Whirl Corp., Inc.	Port Monmouth, NJ	219,941.98
A-Tech Concrete Co	Edison, NJ	247,655.00
Cypreco Industries	Neptune, NJ	263,886.00

Memo from Engineer Richard Roseberry recommending award to the low bidder, Empire Construction received June 8, 2018

OLD BUSINESS FROM TOWNSHIP COMMITTEE

-SALARY RESOLUTION-Update # 2

2018 SALARY RESOLUTION UPDATE #2

Summer Camp

Authorization to hire the following 2018 seasonal part-time Summer Camp Staff at Riegel Ridge Community Center

WHEREAS, the Township Committee of the Township of Holland is in need of seasonal part-time Summer Camp Staff at the Riegel Ridge Community Center, and

WHEREAS, the Holland Township Committee adopt the 2018 2018 Summer Camp Salary Resolution on May 29, 2018 and Updated:
Update #1 June 19, 2018

WHEREAS, there is a need to make changes to the original Resolution (denoted by *)

WHEREAS, according to the Chief Financial Officer, there are sufficient funds available in the General Operations Municipal budget to pay for this employee, and

WHEREAS, these employees will be hired as “at will” seasonal part-time Summer Camp employees; and

WHEREAS, a current copy of the Holland Township Employee Handbook will be made available to these employees for review and will be required to comply with all policies in the handbook, and

WHEREAS, these employees may be required to submit to all background checks required for their position, and

WHEREAS, Director of Parks and Recreation Jessica Neglia advises the Township Committee that until results of these background checks have been received, these employees will be supervised at all times, and

WHEREAS, these salaries are based on the following Payroll Increase Schedule established June 19, 2012:

Summer Camp Program Counselors and Instructors

Payroll increase schedule Approved June 19, 2012

Payroll increase schedule for Holland Township Summer Recreation Program				
# of years employed at Summer Recreation Program	Salary (per hour)			
	Senior Counselors	Junior Counselors	Head Counselors	Specialty Instructors
1 st and 2 nd years	\$ 9.00	\$8.50	\$ 10.00	\$ 25.00
3 rd and 4 th years	\$ 9.50	\$9.00	\$ 10.50	
5 th and 6 th years	\$ 10.25	\$9.50	\$ 11.25	
7 th , 8 th and 9 th years	\$ 10.75		\$ 11.75	
10 th + years	\$ 11.50		\$ 12.50	

NOW, THEREFORE, BE IT RESOLVED by the Holland Township Committee, Township of Holland, County of Hunterdon in the State of New Jersey, the following people be hired as seasonal part-time Summer Camp Staff contingent on favorable results of all required background checks, effective May 1, 2018.

BE IT FURTHER RESOLVED, that the schedule of pay rates is in accordance with the Township Ordinance

2018 Staff

First Name	Last Name	Position	Pay Rate
Nolan	Bench	Jr.Counselor	\$8.50
Jake	Benner	Jr.Counselor	\$8.50
Carolyn	Bernhard	Head Counselor	\$11.00
Tanner	Bertoldo	Jr.Counselor	\$8.50
Stephen	Black	Jr.Counselor	\$8.50
Gianna	Cascio	Jr.Counselor	\$8.50
Gillian	Cascio	Jr.Counselor	\$8.50

Angela	Vinchur	Head Counselor	\$10.00
Zachary	Wilt	Jr.Counselor	\$8.50
Jack	Zastowny	Head Counselor	\$10.00

LIAISON REPORTS

NEW BUSINESS FROM TOWNSHIP COMMITTEE

-Acknowledgement of 2018 Summer Camp Volunteer CIT (Counselor In Training) staff

-Approval of Raffle Application: (To be held 10/27/2018 6:00 p.m. at Case Field)

Application for Raffle 2018-3 **Riegel Ridge Rams Youth Athletic Assoc. Inc.**[Off-premise draw raffle awarding cash-50/50]

-Approval to attend conference:

Tax Assessor Michelle Trivigno

Date	Host	Subject	Cost
8/27-8/31	NJ Association of County Tax Boards	Annual Educational Conference	\$no cost to Holland Covered by Warren & Hunterdon County

-Approval of proposal from Maser Consulting regarding updates needed to the Planning Board and Board of Adjustment Checklists in the amount of \$1,600.00.

Work includes:

- Review Township’s existing Land Development Application Checklists A through G, as referenced in Chapter 100: Appendix F of the Township Land Use Ordinance.
- Update the existing checklists to address any apparent deficiencies based on our experience reviewing Land Development Applications and concerns presented by Township staff and officials.
- Update existing checklists to revise references to the Highlands Council Application Requirements to conform with the newly adopted Highlands Land Use Ordinance.
- Review the recently adopted Highlands Land Use Ordinance and create a new checklist enumerating the submission requirements in Section 101-45. This checklist will follow the format of the existing Land Use Ordinance Checklists.
- Update all checklists to require that required submission items be provided electronically, in PDF format, to improve filing and processing of applications.
- Update all checklists to editable PDF forms to improve their completion and processing.
- Update checklists to revise the number of required submission items, if requested following coordination with Township Officials.
- Provide for one (1) revision of the above referenced checklists following review by the Township.

-RESOLUTION-Hiring Nicholas Hults at Riegel Ridge Community Center

RESOLUTION

Authorization to hire Nicholas Hults as part time
Front desk at Riegel Ridge Community Center

WHEREAS, the Township Committee of the Township of Holland is in need of front desk staff at the Riegel Ridge Community Center, and

WHEREAS, according to the Chief Financial Officer, there are sufficient funds available in the General Operations Municipal budget to pay for this employee, and

WHEREAS, this employee will be hired as an “at will” 12 month part-time employee, with a six months initial probationary period, starting as of the date of hire; and

WHEREAS, this employee will be required to wear a uniform prescribed by the Township, portions of which may be furnished by the Township and portions will be furnished by the employee; and

WHEREAS, this employee will report directly to the Director of Parks and Recreation, and

WHEREAS, a current copy of the Holland Township Employee Handbook will be made available to this employee for review and will be required to comply with all policies in the handbook, and

WHEREAS, this employee will be required to attend and pass all required training; and

WHEREAS, this employee will be required to submit to all background checks required for their position, and

WHEREAS, Director of Parks and Recreation Jessica Neglia advises the Township Committee that until results of the background check have been received, this employee will be supervised at all times.

THEREFORE, BE IT RESOLVED by the Holland Township Committee, Township of Holland, County of Hunterdon in the State of New Jersey, that Nicholas Hults will be hired at Riegel Ridge Community Center as Front Desk Staff at the 2018 rate of \$8.50 per/hr. contingent on favorable results of all required background checks, effective June 17, 2018.

-RESOLUTION-Police grant

RESOLUTION

Accepting a Grant from FY 2016 National Crime Statistics Exchange (NCS-X)
Implementation Assistance Program

WHEREAS, the State of New Jersey was awarded a Bureau of Justice Crime Statistics grant of \$2.4 million to participate in the National Crime Statistics Exchange (NCS-X) Project, and

WHEREAS, this initiative will transition departments from the Uniform Crime Reporting (UCR) Summary Reporting System (SRS) to the National Incident Based Reporting System (NIBRS), generating nationally-representative, incident-based data on crimes reported to law enforcement agencies; and

WHEREAS, by the year 2021, all agencies will be required to make the switch which will increase our nation’s ability to monitor, respond to, and prevent crime by allowing NIBRS to produce timely, detailed and accurate national measures of crime; and

WHEREAS, the Subaward Period is 11/01/2016 – 09/30/2019; and

WHEREAS, the Subaward number is NCSX-216-013; and

WHEREAS, the Bureau of Justice Statistics (BJS) and the FBI Crime Modernization Team has identified the Holland Township Police Department as one of the initial twenty-eight law enforcement agencies in New Jersey to participate ; and

WHEREAS, the Holland Township Committee is the governing body of the Subrecipient (Holland Township Police Department); and

WHEREAS, the estimated total cost for this project is \$49,851.00 which will be reimbursed at 100% for equipment and consultants/contracts; and

WHEREAS, any expenses over the estimated total cost may be the responsibility of the township.

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Holland, County of Hunterdon, state of New Jersey that they accept the NCS-X subaward for the purpose of upgrading the Townships Records Management System and its components in order to comply with the FBI and New Jersey State Police NIBRS guidelines.

-RESOLUTION- Authorizing Redemption to an Outside Lienholder

RESOLUTION

Redemption of Tax Sale Certificate to an Outside Lienholder

WHEREAS, at the Municipal Tax Sale held on December 9, 2015, a lien was sold on Block 22.02 Lot 8, also known as 16 Lanning Lane for unpaid 2014 Utility Taxes; and,

WHEREAS, Federal Home Loan Mortgage Corporation has redeemed Certificate # 2015-010

NOW, THEREFORE, BE RESOLVED, the Township Committee, Township of Holland, County of Hunterdon in the state of New Jersey directs the Chief Financial Officer to issue a check in the amount of \$3,177.82 for the lien and \$100.00 for the premium paid at the sale to US Bank CUST BV001 Trust & Creditors, 50 South 16th Street, Suite 2050, Philadelphia, PA 19102-2513 on Tax Sale Certificate #2015-010.

-RESOLUTION- Authorizing Redemption to an Outside Lienholder

RESOLUTION

Authorizing the Redemption of Tax Sale Certificate to an Outside Lienholder

WHEREAS, at the Municipal Tax Sale held on December 9, 2015, a lien was sold on Block 6 Lot 62.03, also known as 73 Spring Mills-Little York Road for unpaid 2014 Taxes; and,

WHEREAS, Virgil M. & Marisue Cummins has redeemed Certificate # 2015-002

NOW, THEREFORE, BE RESOLVED, the Township Committee, Township of Holland, County of Hunterdon in the state of New Jersey directs the Chief Financial Officer to issue a check in the amount of \$46,232.55 for the lien and \$22,000.00 for the premium paid at the sale to MTAG CUST for Empire VII NJ Portfolio, PO Box 2096 Hicksville, NY 11802 on Tax Sale Certificate #2015-002.

-RESOLUTION- Authorizing Redemption to an Outside Lienholder

RESOLUTION

Authorizing the Redemption of Tax Sale Certificate to an Outside Lienholder

WHEREAS, at the Municipal Tax Sale held on November 30, 2017, a lien was sold on Block 23 Lot 81, also known as 25 McEntee Road for unpaid 2016 Utility Taxes; and,

WHEREAS, Todd Lippincott and Ocwen Financial Corporation has redeemed Certificate # 2017-005

NOW, THEREFORE, BE RESOLVED, the Township Committee, Township of Holland, County of Hunterdon in the state of New Jersey directs the Chief Financial Officer to issue a check in the amount of \$1,753.66 for the lien and \$1,100.00 for the premium paid at the sale to Stuart Lasher, PO Box 83, Milltown, NJ 08850 on Tax Sale Certificate #2017-005.

-RESOLUTION- refund local property taxes to Fully Disabled Veteran

RESOLUTION

Authorizing the Chief Financial Officer to refund local property taxes to Fully Disabled Veteran **Donald Lee Force**

WHEREAS, N.J.S.A. 54:4-3.30-34 grants an exemption from local property taxes for the dwelling house of a qualified totally disabled veteran; and

WHEREAS, Donald Lee Force, a veteran, has been declared a 100 percent totally disabled veteran by the Department of Veteran's Affairs effective June 5, 2017; and

WHEREAS, Donald Lee Force made application for exemption from taxes on June 26, 2018; and

WHEREAS, the Tax Assessor has determined the dwelling of Donald Lee Force is exempt from property taxation effective January 1, 2018; and

WHEREAS, the Township has granted refunds of previously paid taxes to totally exempt veterans under certain circumstances; and

WHEREAS, the decision as to whether to reimburse totally exempt veterans for past taxes is discretionary on behalf of the Township; and

WHEREAS, the Township wishes to strike a balance between honoring veterans who have made an incredible sacrifice on behalf of their fellow countrymen against the financial burden that the return of taxes imposes upon non-exempt property owners; and

WHEREAS, the caps placed upon municipal spending by the State of New Jersey have imposed financial burdens on the Township and placed severe strains on its budget.

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Holland, County of Hunterdon, State of New Jersey as follows:

1. The Township Committee believes that a fair and reasonable balance to be struck between its responsibilities to the general taxpayers and its need to recognize the sacrifices made by totally disabled veterans is accomplished by providing that totally disabled veterans will receive a refund of local property taxes from January 1st of the year the veteran submits to the Tax Assessor a fully qualifying application for exemption from local property taxes on the veteran's dwelling pursuant to N.J.S.A. 54:4-3.30-34.

2. In the case of Donald Lee Force, he is declared exempt from local property taxes on his dwelling commencing January 1, 2018 and the Chief Financial Officer is authorized to refund him \$2,209.94 of local property taxes paid from January 1, 2018 and the Tax Collector forgive the remaining taxes owed on Block 1, Lot 36 located at 1060 Milford-Warren Glen Road, Bloomsbury, NJ 08804, for tax year 2018. The 3rd and 4th quarters have yet to be determined

3. The Township Committee will apply this policy to any future veterans seeking totally exempt status, but reserves the right to amend and alter it based on the future financial condition of the municipality.

-ORDINANCE 2018-9 Introduction/First Reading Stormwater Management
Second reading and Public Hearing set for August 21

ORDINANCE 2018-9
AN ORDINANCE AMENDING PART II, “GENERAL LEGISLATION” - CHAPTER 100 –
“LAND USE” – PART 3 – ARTICLE XXIV “STORMWATER MANAGEMENT”.

WHEREAS, pursuant to N.J.S.A. 40:48-2, the governing body of a municipality may make, amend, repeal, and enforce such other ordinances, regulations, rules and by-laws not contrary to the laws of this state or of the United States, as it may deem necessary and proper for the good of government, order and protection of person and property, and for the preservation of the public health, safety and welfare of the municipality and its inhabitants, and as may be necessary to carry into effect the powers and duties conferred and imposed by this subtitle, or by any law; and

WHEREAS, the Township of Holland (the “Township”) is located within the New Jersey Highlands Region and wishes to adopt Highlands Council specified stormwater ordinance amendments to ensure the resource protection standards of the Highlands Regional Master Plan are met; and

WHEREAS, the Township of Holland (the “Township”) wishes to adopt stormwater ordinance amendments to ensure “minor” developments meet stormwater rate reduction standards; and

WHEREAS, the Township of Holland (the “Township”) finds the implications for public safety and the public welfare warrant regulating stormwater runoff resulting from construction and soil disturbances; and

WHEREAS, the Township wishes to amend the “General Ordinances” of *The Township of Holland Municipal Code*, Chapter 100 - Part 3 – Article XXIV entitled “Stormwater Management”, to further the goals of the New Jersey Highlands Council Regional Master Plan and promote public safety and the public welfare; and

NOW, THEREFORE, BE IT ORDAINED, BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF HOLLAND, as follows:

Section 1.

The Township of Holland Municipal Code Chapter 83 – Part 1 –entitled “Fees” is amended such that it states [New language **bold and underlined**, deleted language ~~double-strikethrough~~]:

Chapter 100, Land Use
Part 3 Stormwater Management

<u>Minor Development Stormwater Plan Review</u>	<u>\$500</u>
<u>Major Development Stormwater Plan Review for Applications not subject to Subdivision or Site Plan</u>	<u>\$750</u>
<u>Minor Development Inspection Escrow</u>	<u>\$500</u>

Major Development Inspection Escrow

\$1,500

ARTICLE XXIV STORMWATER MANAGEMENT REGULATIONS:

Section 2.

*The Township of Holland Municipal Code Chapter 100 – Part 3 – Article XXIV entitled “Stormwater Management Regulations” is amended such that it states [New language **bold and underlined**, deleted language ~~double strikethrough~~]:*

ARTICLE XXIV STORMWATER MANAGEMENT REGULATIONS:

§100-182.C Applicability

- (4) This Part 3 shall be applicable to all applications for soil removal under Chapter 140 and building permits that are not subject to subdivision or site plan review that meet the definition of MAJOR DEVELOPMENT.
- (5) The quantity reduction provisions of this ordinance shall be applicable to any person, partnership, corporation, or public agency that is not defined as a “major development” and which shall by any means whatsoever increase the quantity or velocity of stormwater runoff emanating from the developed land area, hereinafter referred to as “minor development”. Excluding the development of any area from the effective date hereof by the construction or installation of any impervious surface less than 2,000 s.f.

§100-182.D(2)(b) When stormwater management improvements are constructed in conjunction with minor subdivision approval, major developments not subject to subdivision or site plan approval, or variance approval for which no site plan was required, then a construction inspection escrow account shall be established with the Township in the manner as provided in Chapter 100 of this Code and in accordance with the Municipal Land Use Law, N.J.S.A. 40:55D-1 et seq.

§100-182.F Permit Required

- (a) For Major Development Applications not subject to Subdivision or Site Plan review, a Lot Grading and Stormwater Management Plan with supporting calculations shall be filed with the Zoning Officer in accordance with this Part 3. The plans and calculations shall be forwarded to the Township Engineer for review and approval. No Building Permit or land disturbance shall be issued or commence until approved by the Municipal Engineer. No Certificates of Occupancy shall be issued until as-built plans are submitted to the Township Engineer with any other required proofs that the plan, and any conditions of plan approval, have been fully met and complied with.

§100-183 Definitions

CARBONATE ROCK AREA

An area where rock consisting chiefly of calcium and magnesium carbonates, such as limestone and dolomite, has been identified. See also “LIMESTONE AREA”, “KARST TERRAIN”.

CURRENT DEFICIT AREA

Any United States Geological Survey 14-digit Hydrologic Unit Code subwatershed area that is identified in the Highlands Regional Master Plan as having negative Net Water

Availability, meaning that existing consumptive and depletive water uses exceed the capacity of the ground water supply to sustain.

MAJOR DEVELOPMENT

Any development that provides for ultimately disturbing one or more acres of land or would create one-quarter acre or more of impervious surface. **Disturbance for the purpose of this article is the placement of impervious surface or exposure and/or movement of soil or bedrock or clearing, cutting, or removing of vegetation, or the redevelopment of previously developed sites.**

MAXIMUM EXTENT PRACTICABLE

Compliance with the specific objective to the greatest extent possible taking into account equitable considerations and competing factors, including but not limited to, environmental benefits, pollutant removal effectiveness, regulatory compliance, ability to implement given site-specific environmental conditions, cost and technical or engineering feasibility. **In designing stormwater management systems this means that all reasonable opportunities for using non-structural stormwater practices are exhausted and a structural BMP is implemented only where absolutely necessary.**

MINOR DEVELOPMENT

Any development, not meeting the requirements of a major development, that involves the construction or installation of impervious surfaces equal to or greater than 2,000 s.f. hereinafter the effective date of this ordinance.

REDEVELOPMENT

Any land-disturbing activity that results in the creation, addition, or replacement of impervious surface area on an already developed or disturbed site. Redevelopment includes, but is not limited to: the expansion of a building footprint, addition or replacement of a structure, replacement of impervious surface area that is not part of a routine maintenance activity, and land disturbing activities related to structural or impervious surfaces. It does not include routine maintenance to maintain original line and grade, hydraulic capacity, or original purpose of facility, nor does it include emergency construction activities required to immediately protect public health and safety.

§100-184 Design and performance standards for stormwater management measures.

C. The standards in this ordinance for projects that do not meet the requirements of a new major development but are considered minor developments are intended to minimize the impact of stormwater runoff and water quantity.

§100-185 Stormwater Management Requirements for Major Development

B: Erosion Control, Groundwater Recharge and Runoff Quantity Standards. This subsection contains minimum design and performance standards to control erosion, maintain groundwater recharge, and control stormwater runoff quantity impacts of major development projects.

(2) The minimum design and performance standards for groundwater recharge are as follows:

- (a) Using the criteria for calculating stormwater runoff and groundwater recharge in § 100-186B, the design engineer shall comply with at least one of the following standards:

[3] Projects located in a Current Deficit Area: Where the project is located in a Current Deficit Area as identified in Exhibit A, the project shall demonstrate through hydrologic and hydraulic analysis that the site and its stormwater management measures provide for one of the following provisions:

(i) Recharge 125 percent of the percentage of the average annual pre-construction groundwater recharge volume for the site; or

(ii) In addition to complying with the requirements of section 100-185.B(2), retain on-site with no discharge, the Stormwater Quality Design Volume (SWQDV), defined as the runoff from the 1.25-inch, 2-hour rainfall event. Groundwater recharge or infiltration performed in compliance with 100-185.B(2)(a)[3](i) or 100-185.B(2), above may count toward required retention of the SWQDV. Where groundwater recharge will result in equal or greater retention than required to meet the SWQDV, then it shall constitute compliance with section 100-185.B(2)(a)[3](ii). Where meeting the groundwater recharge requirement will not result in retention of the full SWQDV, the major development shall retain any additional volume to meet the requirements of 100-185.B(2)(a)[3](ii) through additional infiltration, or through evapotranspiration or capture and on-site re-use of rainfall.

(c) The following types of stormwater shall not be recharged:

[3] Carbonate Rock Areas, where surficial or subsurface karst features have been identified and recharge facilities cannot be designed in a manner that would eliminate the concentrated subsurface release of stormwater (Note: the mere presence of carbonate bedrock does not constitute a karst feature).

(e) Mitigation Required: In lieu of on-site recharge, the applicant shall be responsible for providing mitigation of the groundwater recharge volume in the required amount. The applicant should provide mitigation, on-site if possible and/or practical, or within the same drainage area within which the subject project is proposed, or contribute funding toward a municipal stormwater control project, or provide for equivalent treatment at an alternate location, or provide for another equivalent water quality benefit, in lieu of implementing the required groundwater recharge volume on their specific site.

§100-185A Stormwater Management for Minor Developments:

A. Application for Approval

(1) In cases where the development of land involves the construction of a building or other facility requiring a construction permit or application to the Planning or Zoning Board of Adjustment, the Zoning Officer shall determine whether the development involves the construction or installation of an impervious surface equal to or greater than 2,000 s.f.. If the extent of work to be undertaken is such that requires review and

approval with regard to the provisions of this Article, the applicant shall proceed to submit an application and other data as outlined in §100-185 A. and B. to the Township Engineer. The Township Engineer shall approve, tentatively disapprove, or disapprove the application within 35 calendar days after submitted to him.

- (2) In cases where the development does not require the construction of a building or other facility requiring a construction permit, the applicant shall submit an application and other data as outlined in §100-185 A. and B. herein, directly to the Township Engineer for review. The Township Engineer shall approve, tentatively disapprove, or disapprove the application within 35 calendar days after submitted to him. If disapproved, the applicant may seek relief from the Planning Board under §100-185 E. or §100-185 F.

B. Data Required

Any application for minor developments must be accompanied by the following data with the payment of the appropriate fees:

- (1) Plot plan showing dimensions of the property, proposed buildings dimensioned from each side to the shortest lot line, driveways, patios, sidewalks, etc. The plan shall include existing and proposed elevations and contour lines over the entire area of the proposed property, together with watercourses and an indication of the final disposal location of surface waters. All elevations shall be related to two (2) permanent bench marks identified on the plan. Contours shall be shown at not more than two-foot intervals for areas with less than a ten-percent slope, five-foot intervals for areas with ten to twenty percent slopes. Any existing feature to be removed or relocated shall be indicated. Flood Hazard area limits and wetlands shall be shown.
- (2) Calculations for estimating pre- and post-development runoff prepared by a Professional Engineer based on the methodologies outlined in §100-186, with a design that satisfies the requirements of §100-185 B.(3)

C. Design Standards

The intent of this ordinance is to regulate and control stormwater runoff as it is increased as a result of development as outlined in §100-185 B.(3). All facilities shall be designed based on the methods of calculating runoff as described in §100-186 of this ordinance and are subject

to the approval by the Township Engineer. All facilities shall be designed based on the requirements for Structural Stormwater Management Measures. described in §100-187.

§100-186 Calculation of stormwater runoff and groundwater recharge

A. Stormwater runoff calculations.

- (1) In complying with the design and performance standards of §100-185 **and §100-185A.**, the design engineer shall calculate stormwater runoff using one of the following methods:
 - (a) The USDA Natural Resources Conservation (NRCS) methodology, including the NRCS Runoff Equation, NRCS Dimensionless Unit Hydrograph, and appropriate NRCS twenty-four-hour design storm, as described in the current NRCS National Engineering Handbook Part 630, Hydrology, and the current Technical Release 55, Urban Hydrology for Small Watersheds, or superseding document; or
 - (b) The Rational Method for peak stormwater runoff rate calculations **only**, ~~and the Modified Rational Method for stormwater runoff hydrograph calculations.~~ Use of the Rational Method ~~and Modified Rational Method are~~ **is** limited to drainage areas of 20 acres or less. ~~Neither the Rational Method nor the Modified Rational Method shall be used to calculate runoff volumes for groundwater recharge or stormwater runoff infiltration purposes.~~

§100-190 Requirements for site development stormwater plan.

C.(2) Environmental Site Analysis. A written and graphic description of the natural and man-made features of the site and its environs. This description should include a discussion of soil conditions, **geology**, slopes, wetlands, waterways and vegetation on the site. Particular attention should be given to unique, unusual, or environmentally critical areas and to those that provide particular opportunities or constraints for development. **For sites located within Limestone (Carbonate) Areas, a Geotechnical investigation shall be required. The report must be prepared in accordance with §101-26.C. of the Township's Highlands Land Use Ordinance, and meet all of the performance requirements for Phase I and as required, Phase II Geological Investigations listed therein.**

Section 3:

All ordinances of the Township of Holland which are inconsistent with the provisions of this Ordinance are hereby repealed as to the extent of such inconsistency.

Section 4.

Should any section, clause, sentence, phrase or provision of this Ordinance be declared unconstitutional or invalid by a Court of competent jurisdiction, such decision shall not affect the remaining portions of this Ordinance.

Section 5.

The Township Clerk is hereby directed to publish notice of the proposed ordinance in accordance with law.

Section 6.

This Ordinance shall take effect upon final passage, adoption, and publication in the manner prescribed by law.
